Dear Mr. Havice,

As Vice President of Onyx Engineering, Inc., I have been very supportive of the Project Management Institute in the past and look forward to our continued support of our staff that benefit from achieving PMP (Project Management Professional) and CAPM (Certified Associate Project Manager) certification.

Onyx Engineering, Inc. has participated in and supported PMI since 2001. The professional staff at Onyx that has attained the PMP certification has notably contributed to improve our project team direction and cohesion. This has helped Onyx to provide quality and timely deliverables that meet and exceed client expectations.

Onyx has a stated commitment to its clients to assist them and elevate their current procedures and work practices to levels matching the Project Management Institute's guidelines. The common goal is to provide for an overall successful completion of projects.

We are pleased to confirm Onyx Engineering, Inc. commitment to support its project managers and team members in their pursuit for certification as a PMP or as a CAPM.

Sincerely,
